

CANBERRA
BUSINESS COUNCIL

INTERNATIONAL BUSINESS TASK FORCE

Key Areas of Responsibility

- Facilitate and guide the ACT Exporters' Network and its activities
- Consult with and provide advice to the ACT and Federal Governments in relation to export development and related matters
- Promote opportunities for the region's exporters and importers
- Raise awareness of international trade, including inwards and outwards missions and delegations
- Increase general export knowledge amongst local businesses; and
- Facilitate export-related networking opportunities to build relationships and share knowledge
- Manage and/or participate in projects related to international business from time-to-time such as the Canberra-China Consortium project
- Other international issues as directed by the Canberra Business Council
